IMPORTANT: Be aware that there are several times during the year (for example, around year or quarter end) that our code is locked from making changes except for those that are critical or affect security. These periods provide stability and reduce risk for clients as they complete quarterly and annual financial activities. If cases are submitted during these times, expect that there could be a delay in the resolution of those cases.

This calendar applies to all editions of Expense, Travel, Invoice, Request, Analysis / Intelligence, Budget, TripLink.
